

January 2016 Assignment

“College/Military Exploration”

During this assignment, you will explore your college or military choices. College is all about finding the right fit. Colleges are all different sizes and shapes. Things to look for in choosing a college include: does it offer what I am interested in studying, is it the right size for my personality, does it offer clubs/organizations I am interested in, can I afford to attend or does it offer scholarships I am eligible for, should I stay in Mississippi or go somewhere else, etc. In choosing your colleges or military options, visit their websites and answer the following questions.

Name _____

1. College Choice 1: _____

Why am I interested in this college?

How much does it cost to attend? _____

Does it offer scholarships/financial aid?

Does it offer my major? If yes, which major?
